

What can I do with a degree in...

# BUSINESS ADMINISTRATION & LAW

## Why study **BUSINESS ADMINISTRATION & LAW?**

Western's Business Administration and Law Program offers students a quality education in the area of business administration and law, business policy, and strategy through synergistic teaching, research, and service. Students receive a thorough background in the interrelationship of business and law, legal theory, legal research, and the application of law in everyday business transactions and management.

We promote the personal and professional development of each of our students by offering and encouraging participation in engagement opportunities and by using interactive teaching methods that develop critical thinking and decision-making abilities. Using these skills, along with knowledge of current accounting theories and practices, general business skills, and understanding of global business issues, our graduates will be Business Ready®, prepared to make an immediate contribution to their employers and communities.

## What is the **DEGREE OPTION?**

### **Bachelor of Science in Business Administration (B.S.B.A.) in Business Administration and Law**

*NOTE: Students may opt to dual major in Business Administration and Law and Management. Complementary minors include minors in Management and Marketing. Western Carolina University also offers a Master of Business Administration (M.B.A.) degree.*

## What is the **UNDERGRADUATE ADMISSION PROCESS?**

Any currently enrolled student at WCU may declare Business Administration and Law as an undergraduate major. Please make an appointment with your advisor via your MyWCU student portal to declare this major.

## What **JOBS ARE AVAILABLE?**

Our graduates are prepared to become a variety of professionals including business analysts, business consultants, advertising sales agents, marketing and promotions managers, bankers, corporate managers, insurance agents, realtors, small business and nonprofit managers, attorneys, purchasing agents, human resource consultants, attorneys, risk management consultants, business owners,

sales agents, and more.

*NOTE: Advanced degrees may be required for some of the above careers. Please speak with an advisor or career counselor for more information.*

## Who employs **BUSINESS ADMINISTRATION & LAW** graduates?

Our graduates work for a variety of employers including private law firms, non-profit organizations, federal, state and local government agencies, businesses and industries, tax preparation companies, hospitals and health organizations, law firms, and banks and other financial organizations. Graduates may contact the Center for Career and Professional Development with assistance in job searching.

# MAJOR MAP

**How to use this map:** Review the four categories and suggestions of activities and when you should consider engaging in them. Remember, these are just suggestions! There is a fillable space for you to add in any other ideas you have to set yourself up for success in life after college.

## 1st YEAR

## 2nd YEAR

### EXCEL IN ACADEMICS

Coursework your first year will focus on foundational classes within the liberal studies catalog as well as introductory business courses including accounting and economics. Check out the [8-semester plan](#) and make an appointment with your advisor.

The second year continues with additional liberal studies requirements as well as intermediate Accounting, Economics, Marketing, and Law courses. Check out the [8-semester plan](#) and make an appointment with your advisor.

# MORE INFORMATION

## **INTERNSHIP** Information

There are numerous internship opportunities for students. In some cases internships are established through a faculty member in the student's major. Oftentimes students find part-time jobs in an area related to their field of study. When this happens, students should discuss with their academic adviser the possibility of receiving college credit. Generally, three hours of general elective credit can be earned for a minimum of 200 hours of experience.

## **SKILLS LEARNED** in the classroom

The core competencies will center on developing skills, knowledge, and attitudes such as:

- information handling and organization
- decision making
- oral and written communication
- numerical computation
- analytical and quantitative abilities
- problem solving
- technical skills
- teamwork
- leadership

## **KNOWLEDGE** Base

This program will prepare students to:

- Effectively communicate with team members while problem-solving today's business challenges.
- Apply ethical principles in real-world scenarios.
- identify needed actions or presented problems, find and use appropriate information to address the action or problem, identify alternative solutions, and make decisions.
- Understand the relationship of law and business, particularly in the areas of contracts, business organizations, and business ethics, opinions, reports, theories and proposals.
